

Some of the Bargains are limited in quantity, but we shall keep producing Fresh Lots till we've CLEARED ALL HAMLIN & CO'S. STOCK.

Please note that the above lines are NOT Goods Bought to Sell at above Clearing Prices, but were Selling at the First-Prices quoted, and you, therefore, save the difference.

HAMLIN'S STOCK OF BOOTS for Boys' and Girls' was a specially well-assorted one, so that we can give you something to suit every Chick in the Family.

EVERY YOUNGSTER in Dean Forest ought, after this, to be well shod. They'll come to PETERS again, afterwards.

In addition to the above, there are various Oddments in Shapes and Sizes which cannot be catalogued, but they can, and will, be sold Very Cheap to Clear. Come and Pick them out for yourself.

We would sooner wait ON you, than FOR you.
Don't wait till we are too busy to serve you properly,
come when we are quiet, and get good attention,
and Pick your Bargains circumspectly.
