HEADQUARTERS
SIXTY FIFTH CHEMICAL DEPOT COMPANY
UNITED STATES ARMY
A.P.O. 350

15 August 1944.

My dear Mrs. Moore,

This company was fortunate to be stationed in your community for a considerable period of time. During our stay we very much enjoyed the hospitality offered us by the members of your organization and the citizens in general.

It was particularly gratifying at the holiday seasons of Christmas and Easter when many of us were invited into your homes. These kind and generous acts on the part of so many did much to make the holidays real for the men of this company who were far away from their homes, and families.

The spirit that causes so many women to give of their time and effort in an endeavor to make life more enjoyable for others is one of the things that makes both British and American men willing to fight for our way of living.

We wish to congratulate you on the splendid work you are doing, and you may be sure that we shall always remember the people of Cinderford, particularly you of the W.V.S., no matter where we go.

For the Commanding Officer:

Augustus O. Marts
