Young horse drivers
Virginia – 1911

Young trapper
Virginia – 1911

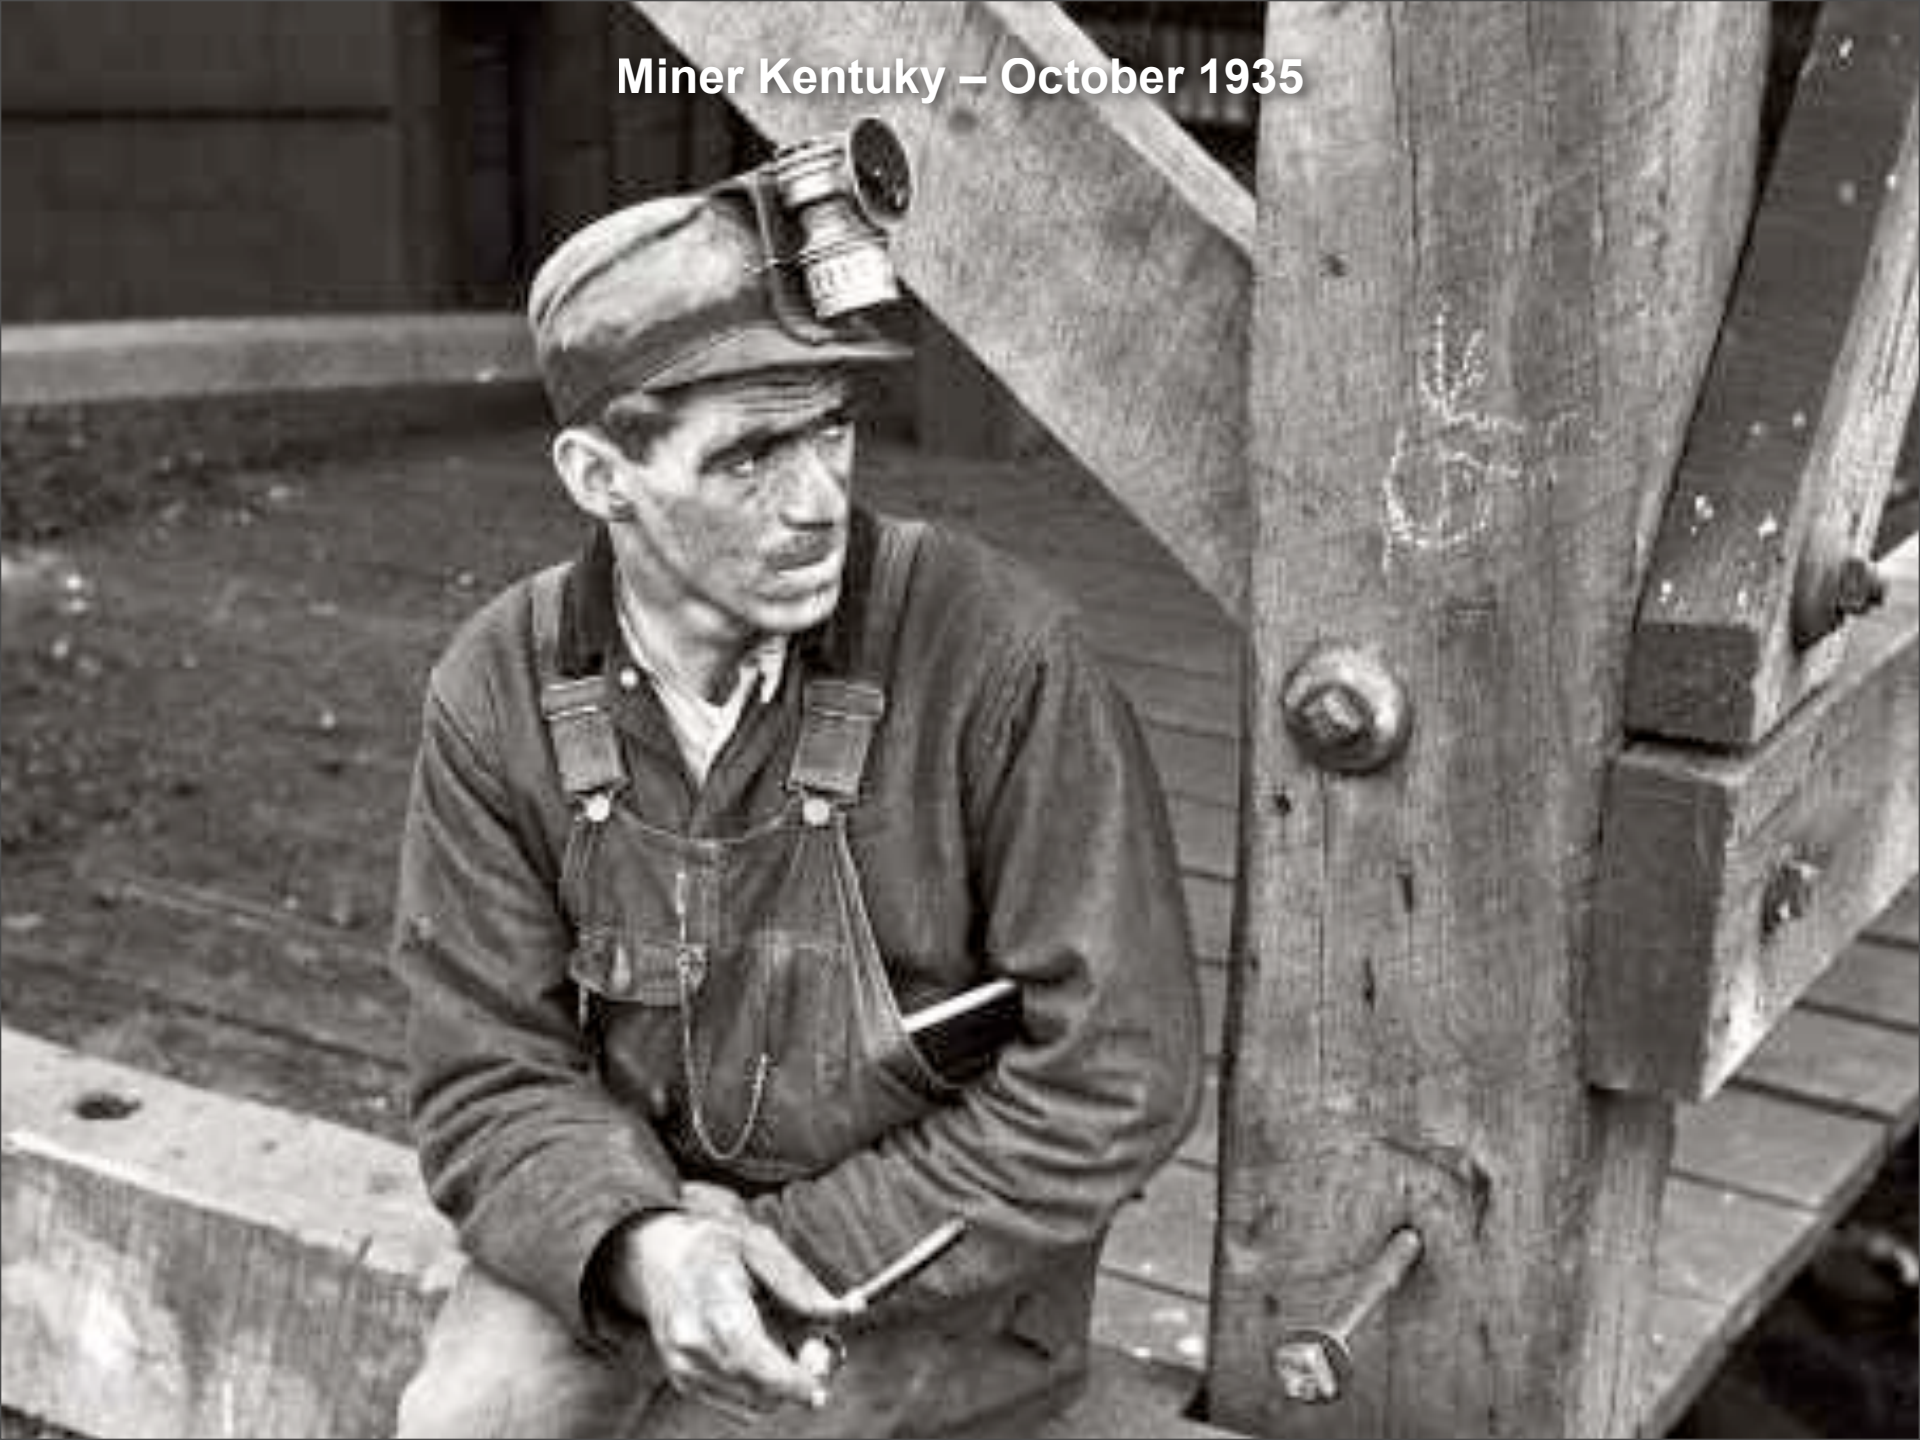

Responsible for the aeration gate Pennsylvania – 1911

Let’s work

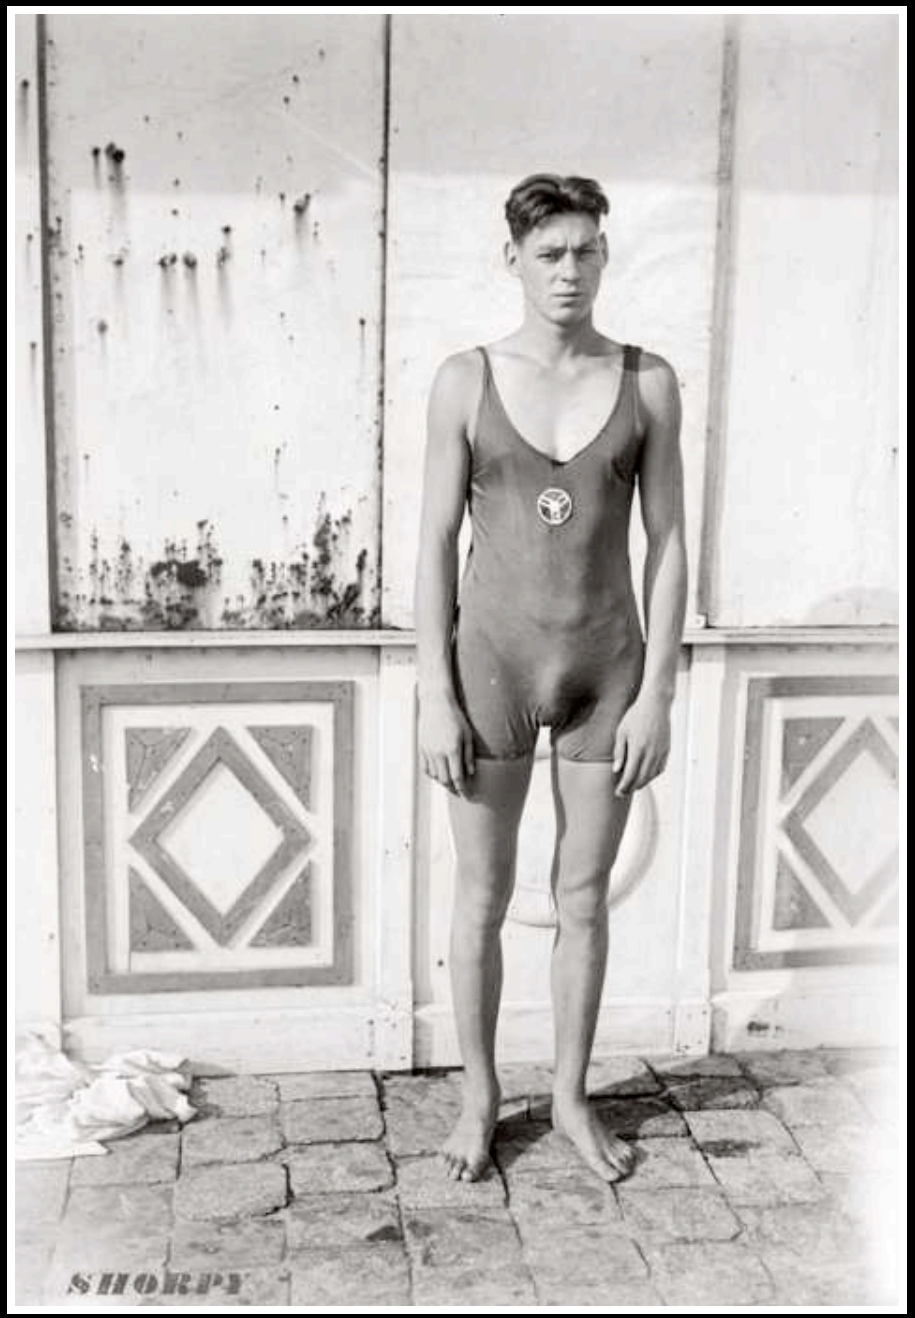

Everybody has his messtin. The men with a stick are coal-trolley brakers. Many wear gloves, a surprising safety measure for that time (1911)

The boys ate sitting straight above the coal conveyor belts. In spite of the spraytubes (visible on the photo), there seems to be quite some dust (visible neat the windows).
Coal sieving Pennsylvania – 1911

Miner Kentuky – October 1935
