

HERE are two golden oldies to follow the picture of the Cinderford St John Ambulance

team we printed a couple of weeks ago.

These great pictures, loaned to

the Review by Mr J.F. James, of Crumlin—a Forester who went to work in the Welsh coalfield—

show the safety teams of Northern United and New Fancy collieries in 1940.

● **Northern United:** Dr Sumption, I. Pritchard, A. Baggett, A. Giles, J. Morrison (manager).
Front: E. Jenkins, F. Peates, R. Baldwin.
