V. R.

Forest of Dean & Hundred of St. Briavels, County of Gloucester.

Act 1st and 2nd Victoria, cap. 43.

NOTICE IS HEREBY GIVEN, that Her Majesty's Gaveller of and for the Forest of Dean has received an application from THOMAS and ALFRED GWILLIAM, of Lane End and Berry Hill, to have a gale granted to one of them of a certain work or intended work or Coal Mine, situate or intended to be situate at or near the Speech House, within the Forest of Dean and Hundred of Saint Briavels, in the County of Gloucester; that the Gale so applied for is intended to be worked by means of a Pit, and that the Coleford High Delf and all other veins lying underneath the Churchway High Delf are the veins or seams of Coal proposed to be got by means thereof; and that the said THOMAS and ALFRED GWILLIAM, being Freeminers, duly registered for the purposes of the Act of Parliament, 1st and 2nd Victoria, cap. 43, and entitled to have a Gale granted to them under the authority of the said Act of Coal and Iron Mines, within the said Forest and Hundred:

NOTICE IS HEREBY FURTHER GIVEN, that the Gale so applied for as above-mentioned is intended to be granted on TUESDAY, the 6th day of SEPTEMBER, 1887, at Twelve o'clock Noon, in a certain building or place of business usually called or known as the Gaveller's Office, situate in the Town of Coleford, in the Hundred of St Briavels, and County of Gloucester aforesaid; and the said Gale so applied for and intended to be granted is bounded as follows:—On the north and north-west by the line of deep boundary of the Serridge Colliery, on the west by a portion of the deep boundary of the Royal Colliery, and the whole of the deep boundary of Prince Albert Colliery, on the south by the line of Boundary Stones Nos. 69 and 70, on that part of the east lying south of the line of Boundary Stones Nos. 71 and 72, by the line of Boundary Stones Nos. 72 and 101, and on that part of the east lying north of the line of Boundary Stones Nos. 71 and 72, by the line of boundary Stones Nos. 92 and 93; except that a barrier of coal of 20 yards in width shall be left on all sides of this tract in each seam.

Dated this 17th day of August, 1887,

T. FORSTER BROWN,
Deputy Gaveller.
