IN MEMORIAM.

The Late Mr. John Henry Nelmes.

The joint staffs of the "Barry Dock News" will next Sunday pay silent tribute to the memory of the late Mr. John Henry Nelmes, who entered into rest just twelve months ago.

Hardly a day has passed during the year without a memory for one who, like him, was so much loved, and next Sunday morning, the "Barry Dock News" staffs will place a wreath upon his grave at Merthyr Dyfan Cemetery.

The name of John Henry Nelmes will live for ever in the minds of those who worked and associated with him. His spiritual loyalty, which is the energising force in all chivalry, had made him an acquaintance of almost everybody. When he took over the proprietorship of the "Barry Dock News" he was more than an employer. He had that human touch, which is of incalculable value, and which is so indispensable to those who direct the destiny of a newspaper. No one was more conscious than the late Mr. Nelmes that without it something vital was lost. He left an impression upon the minds of a world of friends, and those who have followed him find inspiration in the memory of a man who had lived a life of uprightness, with loyalty and devotion as the common object.
